A landowner may vote in person at the Landowners' Meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one (1) vote per acre of land owned by him/her and located within the District, for each person that the landowner desires to elect to a position on the Board of Supervisors that is open for election for the upcoming term (five (5) seats on the Board will be up for election). A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one (1) vote with respect thereto. **Please note that a particular real property is entitled to only one (1) vote for each eligible acre of land or fraction thereof; therefore, two**

(2) or more people who own real property in common, that is one (1) acre or less, are together entitled to only one (1) vote for that real property.

The first step is to elect a Chair for the meeting, who may be any person present at the meeting. The Chair shall conduct the nominations and the voting. If the Chair is a landowner or proxy holder of a landowner, he/she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board of Supervisors that is open for election for the upcoming term. The two (2) candidates receiving the highest number of votes shall be elected for a term of four (4) years, and the remaining candidates elected shall serve for a two (2)-year term. The term of office for each successful candidate shall commence upon election. Thereafter, there shall be an election of supervisors for the District every two (2) years in November on a date established by the Board of Supervisors upon proper notice until the District qualifies to have its board members elected by the qualified electors of the District.

A proxy is available upon request. To be valid, each proxy must be signed by one (1) of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one (1) vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

I look forward to seeing all of you at the upcoming meeting. In the meantime, should you have any questions or concerns, please do not hesitate to contact me directly at (561) 719-8675.

Sincerely,

Craig Wrathell
